### **Alberta Education Assurance Survey**

Information for parents and guardians

#### **About the survey**

Every year, Alberta Education surveys students, their parents and all teachers on behalf of schools and school authorities to assess what is working well and where there is room for improvement. The survey asks students in grades 4, 7 and 10, and their parents, about their thoughts, feelings and experiences in school. The survey will be administered between January and March 2024. In some schools, all students in grades 4 and above and their parents will be surveyed.

Participants will be asked questions on a variety of topics, such as welcoming, caring, respectful and safe learning environments; student learning engagement; and parental involvement. The survey does not ask for names and cannot be used to identify individual participants.

#### **How will I take the survey?**

- Parents or guardians are issued a single-use Random Access Code mailed through Canada Post to complete the survey online.

### **New Student Passwords**

Please note that as per our Canadian Rockies Information Security Procedures, our unique student passwords will be reset in January. The best practice of changing student passwords regularly is key to keeping our network secure. Students will receive their new passwords this week. We will email families once passwords have been given to students. The current passwords will remain active until January 27, 2024 and then students will need to use their new passwords.

If a student does not have the password they will need to visit the school office ASAP in order to access all their assignments, Google Classroom and CRPS email

A WIZARD IS NEVER LATE  
NOT EVEN WITH HIS LIBRARY BOOKS

### **Semester 1 Textbook Return**

Students should return their textbooks to the library after their final exam for Semester 1. They need to make sure their name is written inside the front cover and that the book goes into the secure cubicle by the library clerk's desk in order to ensure their book is returned safely. Every year we have books that go missing because students return their friend's book by mistake and theirs isn't returned or they leave it in a classroom hoping it will make its way to the library and it doesn't. Missing library books are charged to a student's school fees account. Some textbooks cost close to \$100.

### **Semester 2 Starts**

Semester 2 starts on Wednesday January 31st as does Grade 9's Quarter 3 classes. Students should refer to Power School to check their schedule. Grade 12 have until Friday February 9th to make any course changes and should check their MyPass to check they are on track for graduation. If they have any post secondary questions they should arrange to meet with Ms Janse.
