

CCHS INTERNATIONAL STUDENTS

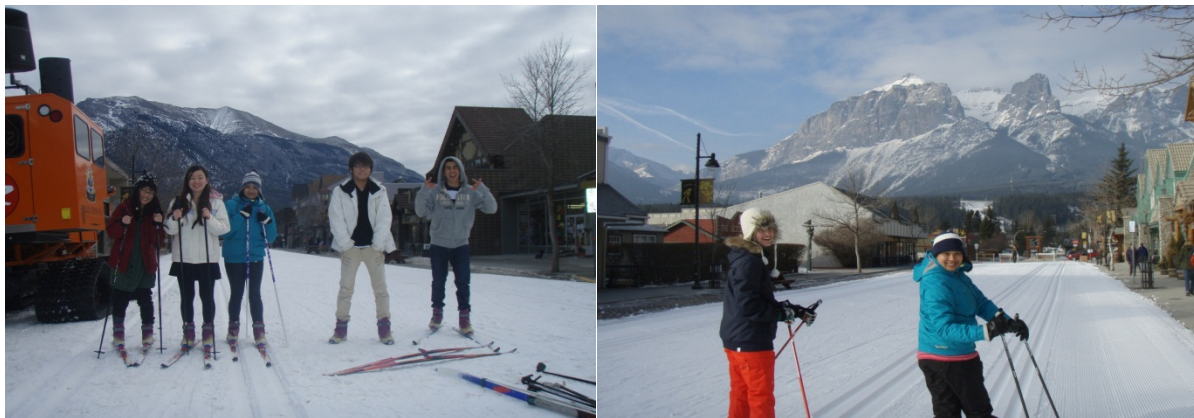

We currently have 28 international students at CCHS. They are here from Japan, Hong Kong, Germany, Mexico, Spain, and the Philippines. Besides working to improve their level of English, they are also immersing themselves in some of the local cultural experiences that Canmore and the area has to offer.

On Wednesday, April 18th, the International students were invited to go skiing/snowboarding at Lake Louise, along with some of the Physical Education classes. Fun was had by all!

Stanley Lai (Hong Kong) and Roni Banerji (Japan) in front of the Base Lodge at Lake Louise.

Also, during Canmore's Winterfest in February, the ESL class took advantage of an opportunity to cross-country ski on Main Street! This was their first time on cross-country skis, and they did very well!
