**In Memory of the 215+**

This week we invite you to pause for a moment and remember the 215 residential school students whose bodies were found in Kamloops recently. Out of respect for and in memory of the children, their families and communities and all who are affected by this, we have placed 215 individual orange ribbons on the fence in front of the school. The white ribbon represents any who may be found in the future.

We invite you to watch the following two short videos.

If your student is affected by this, support is available through our guidance counsellors Ms. Janse and Mr. Danco in student services.

**Graduation Notes**

A letter will be sent directly to all grade 12 families outlining our plan for the upcoming graduation ceremony. Please look to your personal email for details on our graduation plan.

### **Diploma Exams**

As a reminder, the provincial Government has announced that diplomas will be optional for the remainder of this school year. Students that elect not to write the diplomas will be exempted from them and their final grade will be based upon their class mark as determined by their teachers.

Students that do wish to write the June diploma exam need to **confirm with the office by Monday, June 7** that they plan to write. Please send an email to Hans Holthuis or Chris Rogers, if your student plans on writing their diploma this quarter.

### **Summative Assessments Grade 9-11**

Students in grades 9 - 11 will have the opportunity to write no fault summative assessments in their current classes. Teachers will be scheduling summative assessments in the last week of classes. The intent of these no faults assessment is to allow students an opportunity to solidify course learning while reducing student stress load. Students who elect not to write summative assessments will receive a final grade that is based on class based progress. Marks for summative assessments will only be included in student final grades if the results improve a students average.
