

W.I.L.D.

-Wilderness Inspiring Leadership Development-

This program is an exciting opportunity to create deeper connections between students and our local wilderness, their peers and ultimately themselves. In partnership with the Canadian Rockies Outdoor Learning Centre, CRPS has the WILD program, which offers some unique, challenging and powerful experiences for our youth. This program is unique to CRPS and will be an opportunity of a lifetime. Through the classroom instruction and 4 and 5 day full immersion out-trips, students will gain valuable hands-on skills, outdoor certifications and personal connections to the Canadian Rockies backcountry.

Activities _____ COST TO Alberta CCHS STUDENT = \$100

Water Experience 15 (5 days)
Paddle Canada Waterfront certification
Winter Travel 15 (4 days)

Credits for WILD Program

WLD1060: Wilderness Navigation (1 credit)

Students develop the attitudes, skills and knowledge in wilderness navigation to enhance their outdoor experiences.

WLD1100: Outdoor Cooking Theory (1 credit)

Students develop and demonstrate safe and sanitary food handling procedures, equipment care, comprehension of recipes and an understanding of the importance of efficient work habits in outdoor cooking environments.

WLD2100: Outdoor Cooking Practice (1 credit)

Students demonstrate and apply the attitudes, skills and knowledge necessary for cooking in a variety of outdoor situations.

WLD1130: Outdoor Survival Skills (1 credit)

Students develop and demonstrate the attitudes, skills and knowledge required for responsible participation in a range of outdoor activities.

HCS2020: First Aid/CPR with AED (1 credit)

Students study and demonstrate first-aid skills and procedures, including cardiopulmonary resuscitation (CPR) and automatic external defibrillator (AED), for dealing with emergency situations. Students recommend practices for a safe environment and demonstrate skills and procedures for dealing with common emergency situations. Students examine safety strategies to prevent infection from blood-borne pathogens in health care and recreational settings.

HCS3040: Child Care First Aid (1 credit)

Students study and demonstrate first-aid skills and procedures, including cardiopulmonary resuscitation (CPR) and automated external defibrillator (AED), for dealing with emergency situations with emphasis on children and infants. Students identify a child safe environment and recognize and demonstrate skills and procedures for dealing with child and infant emergency situations and medical conditions.

Winter Travel 15 (3 credits)

Canadian Rockies Outdoor Learning Centre has partnered with the Lake Louise Ski Resort to deliver on site learning experiences with professional ski instructors, ski patrol, and avalanche control team. Students will also cross country ski and snowshoe in areas throughout Banff and Yoho National Parks. Mosquito Creek Hostel..

Water Experience 15 (3 credits)

Earn 3 credits in a locally developed course partially on site at the Outdoor Learning Centre and the point campground in Kananaskis Country flatwater paddling and hiking while integrating valuable lessons in ecology, the Bow River Watershed, trip planning, backcountry cooking, leadership and safety.
