

# PRESTIGE PHOTO COVID PROTOCOL

## Sign in Station

- Sign in station will be sanitized between each graduate, and at the beginning and end of photo day
- Extra masks will be available at the sign in station for students that require them
- Students to remain masked at sign in area
- Students will be asked to sanitize hands before signing in
- If student signatures are required, Lifetouch will have an ongoing supply of sanitized pens for use

## Gowning Station

- Lifetouch will have an ample supply of graduation gowns for students to use. Gowns will be separated into “sanitized” and “to be sanitized” sections.
- Gowns and stoles will be steamed between students
- Hats will be used this year. The hat will be wiped down between uses. We have been supplied with one full set of hats per two cameras.
- While in gowning area, graduates are required to remain masked

## Photography Area

- Photographers will remain masked during photography session and follow distancing when taking photos
- Graduates will remove masks for photography
- Mirrors will be provided to students to fix hair, graduation attire, and personal attire
- Photographer will follow approved hand hygiene protocols between each graduate
- Props with wipeable surfaces, will be sanitized between each graduate.
- Props with porous surfaces will remain single use, until otherwise instructed
