## **COVID Protocols Update - AHS Step 2**

On March 1, 2022 the Alberta Government moved to “Step 2,” of the easing of our public health measures. Our school district sent out a letter earlier this week outlining how step 2 has adjusted out protocols for safety. For further information on these adjustments, please see the attached divisional [re entry plan](#). At our school these changes impact us in the following ways:

- Students are no longer required to cohort - as a result, social areas like our Wolverine Den have been reopened.
- Students are permitted to leave and reenter the building during lunch hour
- Staff and students are no longer required to wear masks in the building
- Students using public transportation for Alignment classes at CCHS are required to wear masks
- Students are still required to isolate and follow the daily [AHS checklists](#) when they have COVID symptoms
- The school will no longer be reporting to families individual COVID cases
- Extracurriculars and sports may continue

*Please note that throughout the school day, our doors will remain locked and we ask visitor to make appointments when entering the building. Visitors are asked to ring the new doorbell at the Purkis Hall doors.*

## **Parent Teacher Student Conferences**

Parent Teacher Student Conferences are coming up on the evening of March 16, 17 and during the morning of March 18. On Monday March 7, parents will be sent access to our school appointment sign up system. Please book your appointment early to allow our teachers to plan.

Please note that for our March conferences, families can elect to meet virtually, in person or through a phone call. Because teachers will be meeting in different modalities we ask that families show up to their meetings at least five minutes in advance to allow teachers to stay on schedule.

## **Assurance Surveys**

Each year, the government of Alberta surveys parents, students and teachers to gather information on the quality of education they are receiving. This upcoming week, all students will be surveyed using the Alberta Assurance Surveys and the National “Our School,” engagement survey. Results from these surveys are used to support decision making and to develop our school’s four year assurance plan.

Please note that grade 10 parents have been sent directly information regarding how to complete the survey. We appreciate your time in sharing your thoughts with us.
