Home Work Support Room

We have now restarted our Homework Support Room for our Grade 9 and 10 students. As it has been a while since we have had this opportunity for students, please read the rationale for this program below.

Completion of classroom assigned work is crucial to a student's academic success. A zero given on an assignment because work is not completed is not a true assessment of student learning. To ensure true assessment of student learning, we believe it is important for students to complete classroom assigned work. To assist students in establishing successful study practices and understand the importance to their learning in completing assigned work, we will work with our Grade 9 & 10 students to help them complete missing assignments. Grade 9 & 10 students who are not completing assigned work will be asked by their teacher to attend a homework support room during lunch time to do any missing work. During this time, students will be given help in study skills and in completing the missed learning tasks. A failure to attend these study sessions will result in administrative contact with parents to pursue options to help the student successfully complete their work.

COVID Protocols Update - AHS Step 2

On March 1, 2022 the Alberta Government moved to “Step 2,” of the easing of our public health measures. Our school district sent out a letter earlier this week outlining how step 2 has adjusted out protocols for safety. For further information on these adjustments, please see the attached divisional [re entry plan](#). At our school these changes impact us in the following ways:

- Students are no longer required to cohort - as a result, social areas like our Wolverine Den have been reopened
- Students are permitted to leave and reenter the building during lunch hour
- Staff and students are no longer required to wear masks in the building
- Students using public transportation for Alignment classes at CCHS are required to wear masks
- Students are still required to isolate and follow the daily [AHS checklists](#) when they have COVID symptoms
- The school will no longer be reporting to families individual COVID cases
- Extracurriculars and sports may continue

Please note that throughout the school day, our doors will remain locked and we ask visitor to make appointments when entering the building. Visitors are asked to ring the new doorbell at the Purkis Hall doors.

Student Attendance

A reminder that if your student will be late for class or leaving class early, please Call the attendance line at 403-678- 6192 ext 1 .

Leaving class early:

If your student must leave school early for the day or for part of the day, for an appointment, please notify the school. Students must sign in and out of the office if they are leaving school or returning after an appointment (note this in not required during lunch hour).

Extra Curricular News

As a school we are working hard to balance the requirement to keep our students safe with social distancing, good hand hygiene and masking, with extra curricular initiatives. We do ask that students who are not directly working with teachers or involved in an extracurricular activity leave school at 3:30 so that we can properly clean our spaces.

Please ensure you can logon to Parent Portal. Look for the PowerSchool button on our school webpage or [click here](#). This is where you will access daily updates on your student's marks and attendance, school fees and more. Final term report cards are also shared with you through Parent Portal and are not mailed out from the school.

** Alberta Education has now made student access to their official transcript of marks available to all grade 10- 12 student available through a myPass account (myPass.alberta.ca). Grade 10 marks will first appear after the first semester.
