## Did You Know Changes are Coming to Route 5?

Starting Monday, April 4, 2022, Canmore Local (Route 5) will have route and scheduling changes that will impact Canmore Collegiate High School students' commute. Route 5 will be divided into two routes; Route 5C and Route 5T. Route 5C will service the Cougar Creek area and Route 5 T will service the Three Sisters area.

## Destination Cougar Creek

Instead of catching the bus at the Canmore Collegiate South stop, Canmore high school students who live or are heading to the Cougar Creek area will want to catch the bus at the Canmore Collegiate North stop and take the Route 5C bus towards downtown and then on to Cougar Creek. No transfers will be required for students.

More information about the route and schedule changes is available online at roamtransit.com.

## Destination Three Sisters

Students looking to head towards the Three Sisters area most likely currently catch the bus at the Canmore Collegiate North stop but with these changes, they will find it easier to board the Route 5T bus at the Canmore Collegiate South stop. Route 5T will then head downtown and then towards the Three Sisters area. No transfers will be required for students.

More information about the route and schedule changes is available online at roamtransit.com.
