Welcome Back Wolverines

Welcome back everybody! We had a great opening week with old and new faces bringing a huge amount of energy and enthusiasm back to our hallways. We are starting the school year for the first time in two years 'as normal' with a regular schedule, students mixing in the hallways, all courses running, and sport and extra curricular activities happening. Parents and visitors are welcome!

Reminder CCHS is a 1-1 School

CCHS is a 1-1 school, which means each student is required to have a computer for their classes. With over 550 students in our school, we do not have the resources to provide computers for each student. This means that each student must have their own computing device with them each day for classes. Note - a simple computer such as a Chromebook (~\$200) is more than capable of meeting the learning needs of your student. These machines are not only powerful enough to meet your student's learning needs, but also when fully charged before arriving at school will easily last the day.

You will note, that unlike many schools, our supply list does not give a long list of binders, pens , paper etc... as the computer is where your student will create their work. Our supply list is ... a personal computing device. Many of our students use Chromebook type computers to do this work. The school has a very small number of computers to help students if their computer is being fixed or may run out of power during the day but we do not have enough to equip our students for daily use.

Library Books

Students need to return textbooks and school resources as soon as they are done using them. Please remind your students that all CCHS textbooks and library books they may still have out from last school year must be returned to the CCHS Library. Students will be invoiced for the items they do not return.

School Fees

School fees are not yet finalized; however they will start to appear on Parent Portal as we work on the fees. Payment options and details will be provided when invoiced.

School Council

Our first parent council meeting will be held virtually on September 20 at 7:00pm. This first meeting will be held virtually and the link to the meeting will be found below in the upcoming events and on our website calendar. This will be both our AGM to wrap up the 2021/22 school year, followed by our regular monthly meeting. Executive positions for the upcoming year will be determined at the AGM.

Student Attendance

A reminder that if your student will be late for class or leaving class early, please Call the attendance line at 403-678- 6192 ext 1 .

Leaving class early:

If your student must leave school early for the day or for part of the day, for an appointment, please notify the school. Students must sign in and out of the office if they are leaving school or returning after an appointment (note this in not required during lunch hour).

Extra Curricular News

As a school we are working hard to balance the requirement to keep our students safe with social distancing, good hand hygiene and masking, with extra curricular initiatives. We do ask that students who are not directly working with teachers or involved in an extracurricular activity leave school at 3:30 so that we can properly clean our spaces.

Please ensure you can logon to Parent Portal. Look for the PowerSchool button on our school webpage or [click here](#). This is where you will access daily updates on your student's marks and attendance, school fees and more. Final term report cards are also shared with you through Parent Portal and are not mailed out from the school.

**** Alberta Education has now made student access to their official transcript of marks available to all grade 10- 12 student available through a myPass account (myPass.alberta.ca). Grade 10 marks will first appear after the first semester.**
