CCHS Flag at Half Mast

To mark the death of Queen Elizabeth II, Canada's Head of State our school's national flag will be at half mast until sunset on the day of her funeral. At CCHS we recognise, admire and thank Her Majesty for the 70 years of dedicated service to the people of Canada, the Commonwealth nations and the UK. Queen Elizabeth visited Canada officially 22 times and she said this of our country when she last visited in 2010:

"Canadians have, by their own endeavours, built a country and society which is widely admired across the world. I am fortunate to have been witness to many of the developments and accomplishments of modern Canada. As Queen of Canada for nearly six decades, my pride in this country remains undimmed."

Reminder CCHS is a 1-1 School

CCHS is a 1-1 school, which means each student is required to have a computer for their classes. With over 550 students in our school, we do not have the resources to provide computers for each student. This means that each student must have their own computing device with them each day for classes. **Note - a simple computer such as a Chromebook (~\$200) is more than capable of meeting the learning needs of your student.** These machines are not only powerful enough to meet your student's learning needs, but also when fully charged before arriving at school will easily last the day.

You will note, that unlike many schools, our supply list does not give a long list of binders, pens , paper etc... as the computer is where your student will create their work. Our supply list is ... a

personal computing device. Many of our students use Chromebook type computers to do this work. The school has a very small number of computers to help students if their computer is being fixed or may run out of power during the day but we **do not** have enough to equip our students for daily use.
