### **Day of Mourning**

Alberta has declared Monday September 19th 2022 as a day of mourning for Albertans to mark the death of Queen Elizabeth II, our head of state. **Schools will be in session.** At CCHS we will acknowledge her death with a minute's silence, the playing of the Royal Anthem and with classes will talk about her 70 year reign and her place in history and the passage of time.

### **School Council**

Our first parent council meeting will be held virtually on **September 20 at 7:00pm**. All are welcome. Please click here for the [Agenda](#) . Please click here for the [meeting link](#). This is our regular meeting with our AGM to wrap up the 2021/22 school year in October. Executive positions for the upcoming year will be determined at the AGM.

### **Home Work Support Room**

*We have now restarted our Homework Support Room for our Grade 9 and 10 students. As it has been a while since we have had this opportunity for students, please read the rationale for this program below.*

*Completion of classroom assigned work is crucial to a student's academic success. A zero given on an assignment because work is not completed is not a true assessment of student learning. To ensure true assessment of student learning, we believe it is important for students to complete classroom assigned work. To assist students in establishing successful study practices and understand the importance to their learning in completing assigned work, we will work with our Grade 9 & 10 students to help them complete missing assignments. Grade 9 & 10 students who are not completing assigned work will be asked by their teacher to attend a homework support room during lunch time to do any missing work. During this time, students will be given help in study skills and in completing the missed learning tasks. A failure to attend*

these study sessions will result in administrative contact with parents to pursue options to help the student successfully complete their work.
