Diploma Exams, Provincial Assessment Tests and School Exam Timetable

The June exam timetable is on our website.

[CCHS June 2023 Final Exam Timetable](#)

Students are expected to turn up for exams as scheduled. If a student is ill on the morning of an exam parents should call the school as soon as possible. In this situation the school final exams and PATs can be written after the date scheduled so students will be expected to arrange an alternative date with your teacher in order to pass the course. Diploma exams are fixed and **cannot be changed** on the schedule. If a student misses the diploma on the date set then they will need to take the exam in Calgary in August. All students should arrive at 8.45 for their exam. Students may bring water and snacks that are not noisy to eat. No hats, cell phones or Smart watches are allowed in the exam room.

Student Timetables 2023-2024

Students have until **June 23** to request any changes to their timetable. Students will **not** be able to change courses in August. In the event of a student failing a core course at the end of the year administration will have to make some changes to that student's schedule as they will not have the prerequisite course to move on to the next level.
