New Student Passwords

Please note that as per our Canadian Rockies Information Security Procedures, our unique student passwords will be reset in January. The best practice of changing student passwords regularly is key to keeping our network secure. Students will receive their new passwords this week. We will email families once passwords have been given to students. The current passwords will remain active until January 27, 2024 and then students will need to use their new passwords.

What to expect on exam days!

3. **Semester Classes. Return your textbook** to the library the morning of your exam (unless your teacher provides another option)
4. Be at your exam location at 8:45am

January 2024 Exam Schedule

Exams have started and so there are no scheduled classes until Semester 2 starts on Wednesday January 31st. Students are welcome to meet with teachers or use the school library for study during this time

Students should arrive by 8.45am for their exam. **Please note** - students are not permitted to bring cellphones to the exam. For exams written in the gym - students should only bring what they need for the exam. Backpacks must be stored in the student locker. If a student is ill, parents/guardians need to call and an arrangement can be made for an *alternate exam sitting (*Diploma re-writes are only available at the next diploma sitting in the Spring).

During the week beginning January 22nd Grade 9 will have the opportunity to take part in a Career Exploration week.

Semester 2 /Quarter 3 starts on Wednesday January 31st 2024.

Diploma exams, final exams and Grade 10 mid term exams will be taking place in January. Please refer to the exam timetable now published on the [school's website homepage](#) . Exam week is from January

19th to January 30th.

Career Exploration Week

Many Grade 9 students have taken up the opportunity to explore a career with a Bow Valley employer this week. We hope that they have a rewarding experience and that it helps they develop a clearer picture of what their future opportunities may look like.

Semester 1 Textbook Return

Students should return their textbooks to the library after their final exam for Semester 1. They need to make sure their name is written inside the front cover and that the book goes into the

secure cubicle by the library clerk's desk in order to ensure their book is returned safely. Every year we have books that go missing because students return their friend's book by mistake and theirs isn't returned or they leave it in a classroom hoping it will make its way to the library and it doesn't. Missing library books are charged to a student's school fees account. Some textbooks cost close to \$100.

Lost And Found

The Lost and Found table in front of the main office will be cleared by Friday Feb 02,2024. Please have your student look to see if an item may belong to them.
