

Wolverine Weekly Sept 20th 2024

Hello CCHS families,

Ms. Keon and I were delighted to see our Grade 9 cohort so engaged in our Alberta Skills presentation on Tuesday. If your child is in grade 9 ask to see their Google Site portfolio from their Digital Literacy class. WimWe hikes for grade 10 concluded this week. I overheard in the hallway one student sharing with his friend as he walked in the doors at the end of the day, "That was an amazing hike!" Again we thank the Wim and Nancy Pauw Foundation for their financial support of this program. Mr. O has been connecting with our grade 12's on their grad plans and it's great to see our students so excited about their futures! Thanks to the 62 parents who joined us in person and online for our 'micro parent session' on High School Math Pathways. We hope you found this session useful and to the point. Our next session is tentatively set as, "How can I stay connected with my child's high school achievement? Google Classroom, ParentPortal, and the CCHS website demystified." The session will be October 15th from 6:30pm- 7pm in the cafeteria.
