### **Introducing our Student Wellness Advisory Groups for the 2025-2026 School Year**

Introducing our Student Wellness Advisory Group for the 2025-2026 school year. Throughout this year our new SWAG block has been discussed at School Council. In addition a dedicated information session for parents was held on March 13th 2025. You can find the presentation from that session on our website [here](#). All students from grade 9 to 12 will be assigned to a mandatory SWAG class for the 2025-2026 school year. The class will run each Monday, Wednesday and on full day Fridays for 30 mins between A and B block. Attendance is mandatory and at least 80% attendance at SWAG is required to participate in our graduation ceremony, this is a similar requirement to needing 20 hours of volunteer experience to participate in our graduation ceremony. We are very excited to launch this initiative in line with the wellness goals of our Division.
